

With respect to the Examiner's second allegation, Applicants did provisionally elect, with traverse, a single Invention Group (*i.e.*, Group III) at page 7 of their original response. However, that election was incorrect, in that Group III was not among the invention groups initially elected, and is still incorrect, in that it is not among the invention groups subsequently elected in the Substitute Response. Applicants have remedied this error by provisionally electing, with traverse, Group VI at page 7 of the Substitute Response.

CONCLUSION

Applicants believe that no fee is due with this communication. However, if the USPTO determines that a fee is due, the Commissioner is hereby authorized to charge Deposit Account No. 09-0108.

Respectfully submitted,
